

BIGGER THAN US

BY: Samuel Nigrosh

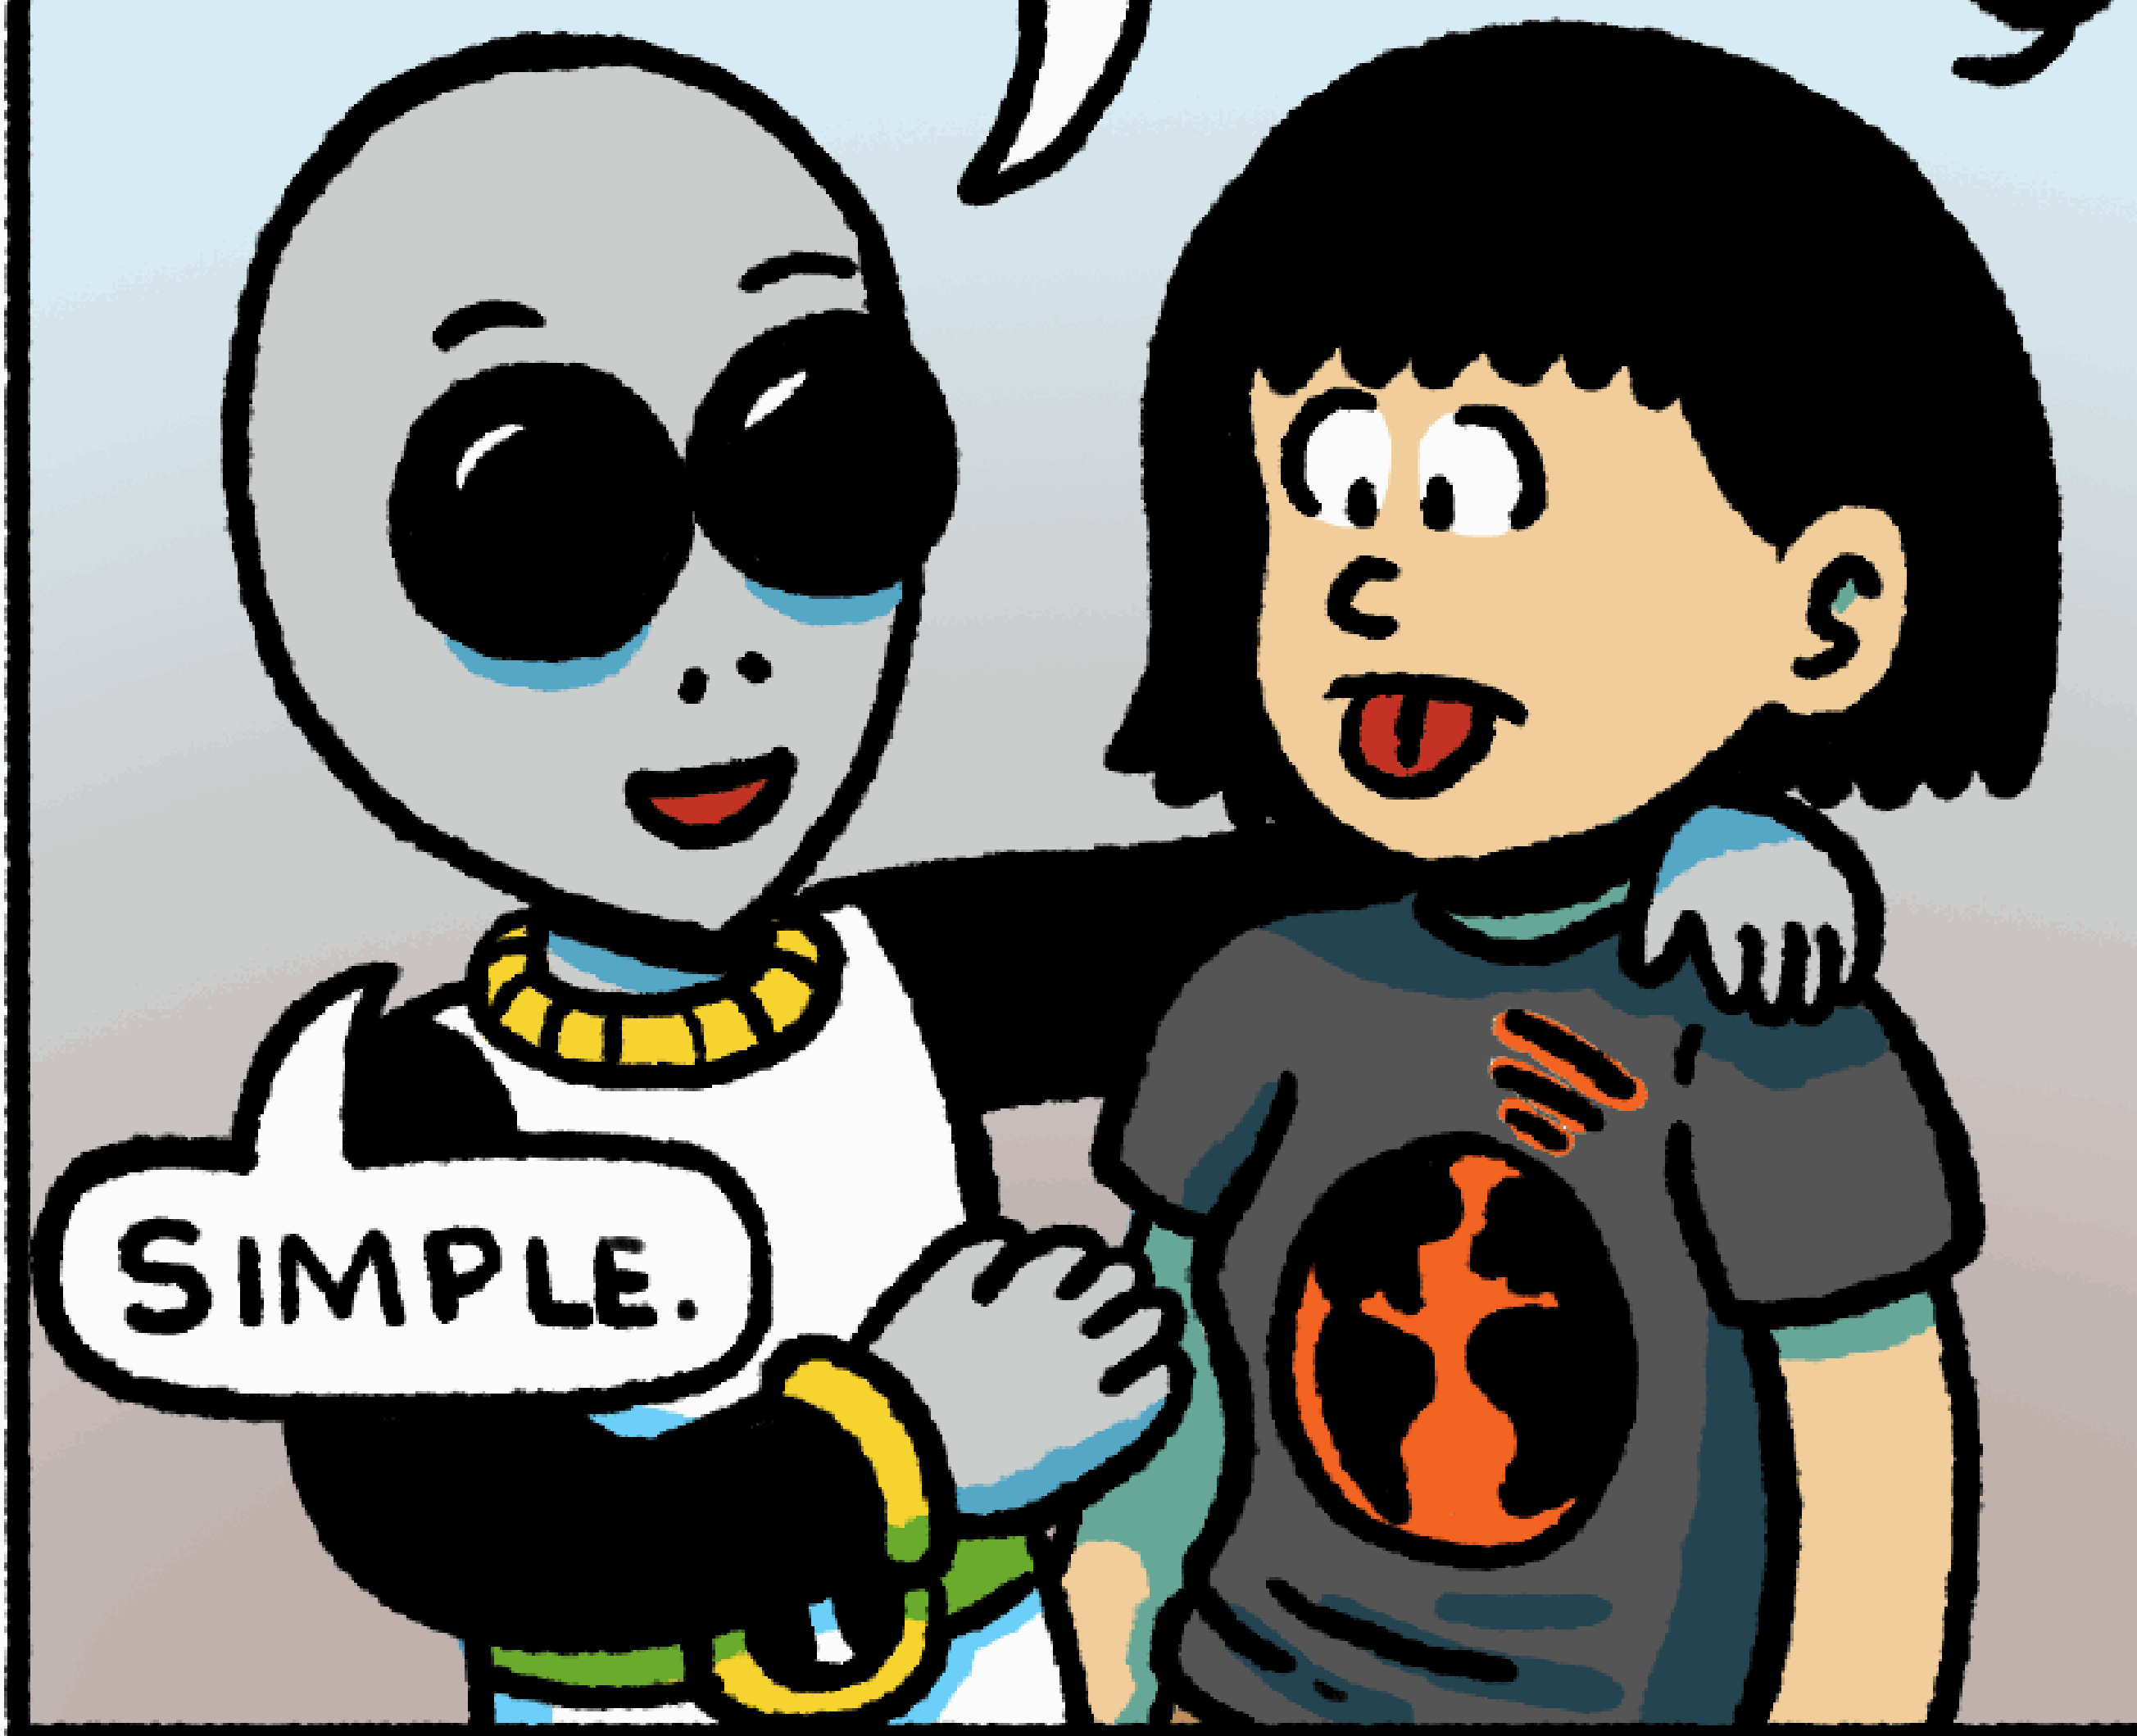

SO... THIS ALL SEEMS A LITTLE SHORTSIGHTED.

YEAH, NOT ONE OF OUR BEST IDEAS.

IT'S OK! IF WE JUST SPLICE YOUR GENES WITH A COCKROACH... THIS PLACE WOULD BE PARADISE!

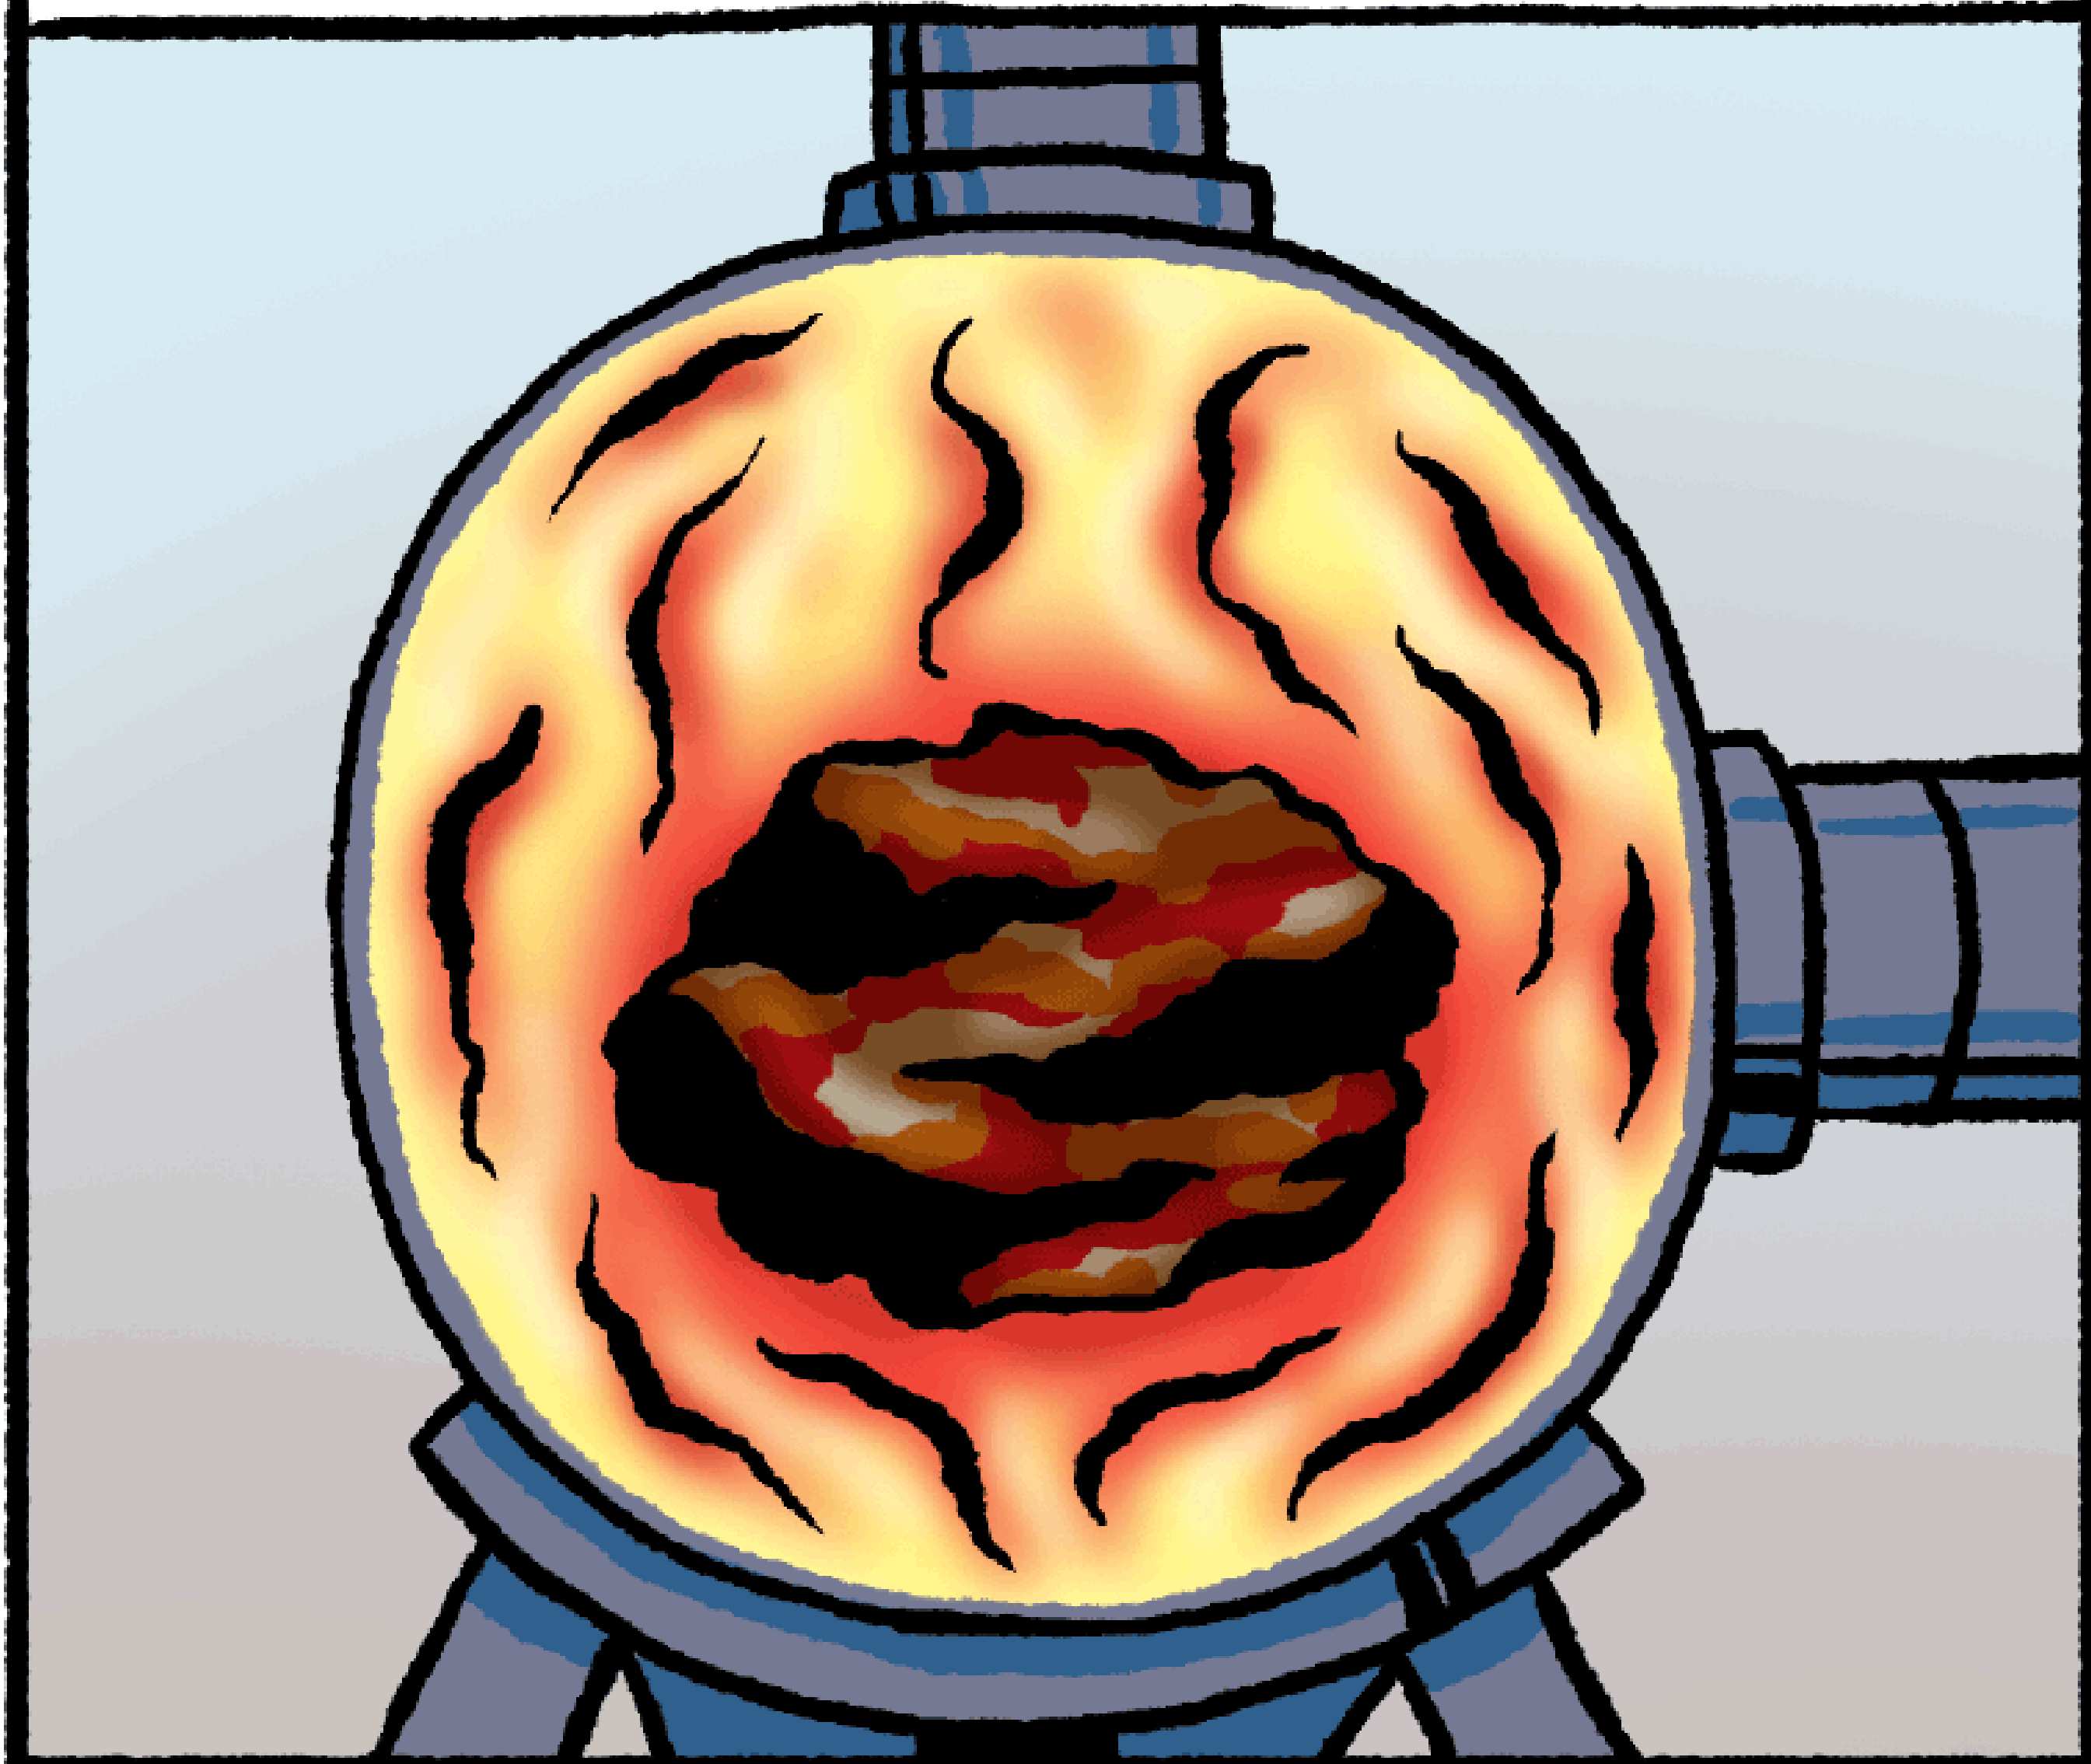

SIMPLE.

I'VE GOT A BETTER PLAN.

SEE THAT DOWN THERE? IT'S A NEW PYROLYSIS PLANT.

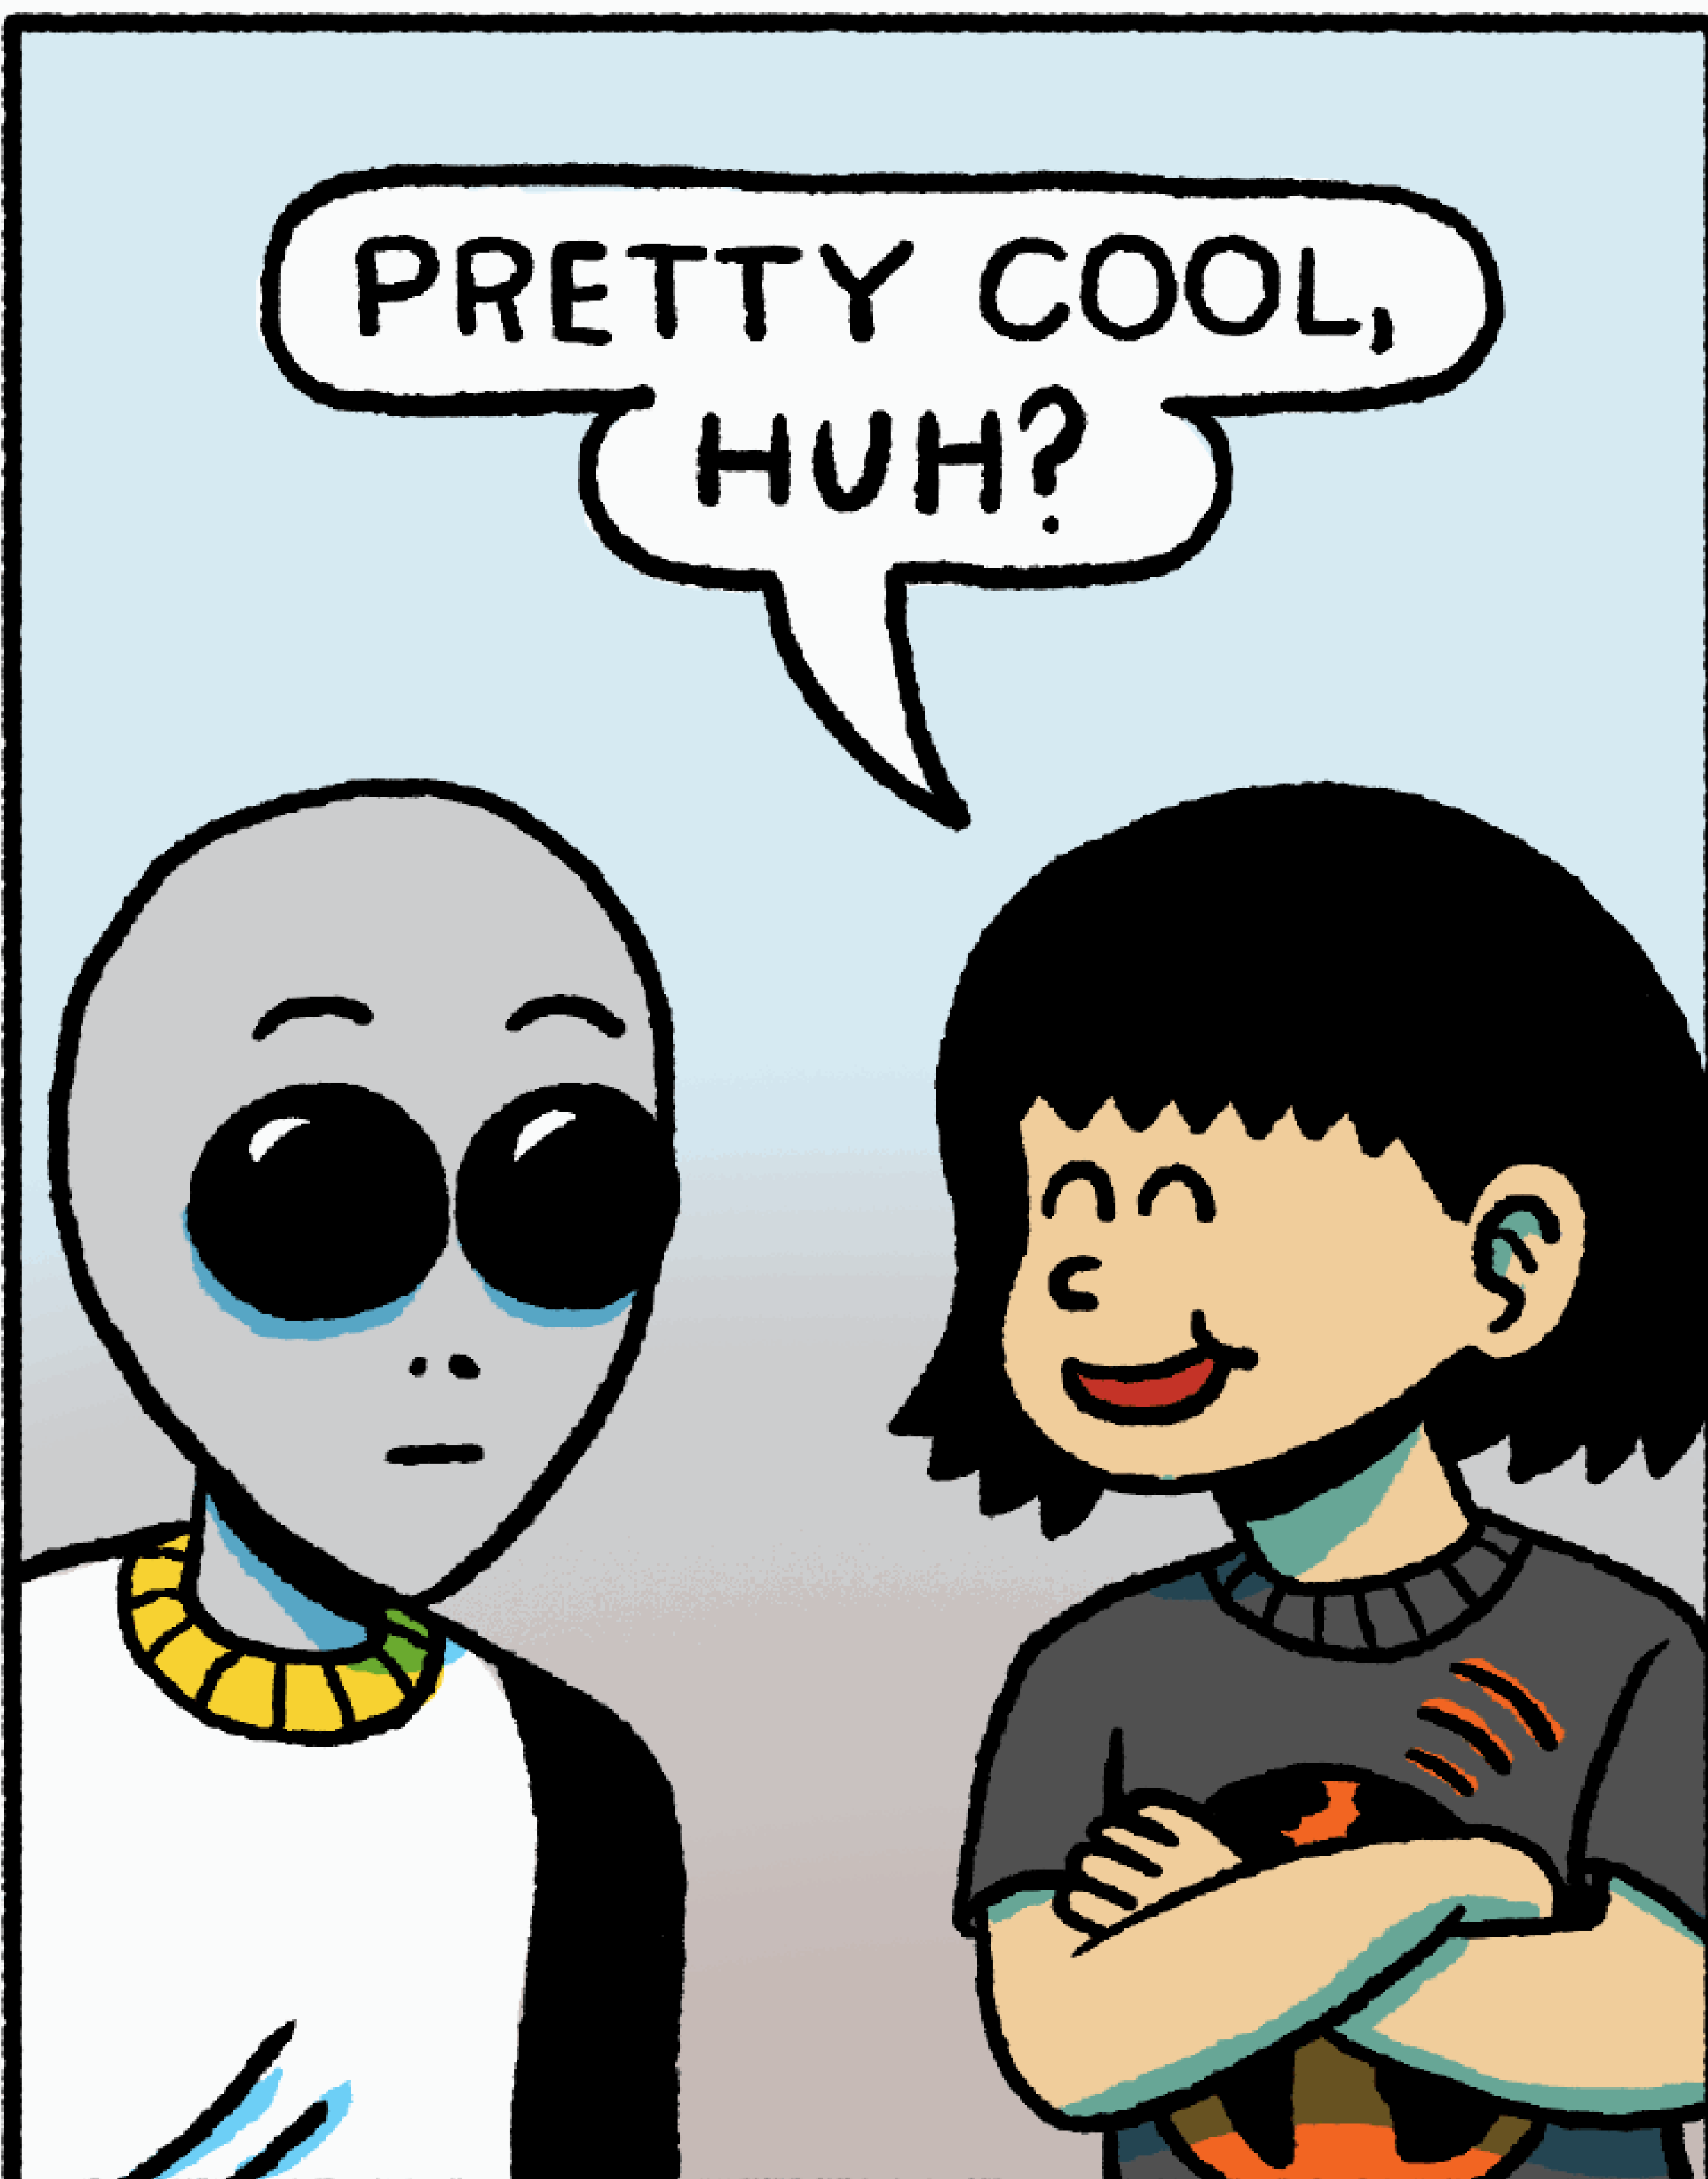

IT TAKES WASTE FROM THE LANDFILL AND IN AN OXYGEN FREE ENVIRONMENT, USES HIGH TEMPERATURES TO CHANGE THEIR MOLECULES.

THIS PROCESS CREATES HIGHLY CONCENTRATED FUEL SOURCES WE CAN USE TO POWER OUR CITIES AND COUNTRY.

PRETTY COOL, HUH?

I THOUGHT YOU SAID YOU DIDN'T HAVE ANY ALIEN TECHNOLOGY.

WE DON'T!
