

BIGGER THAN US

BY: SAMUEL NIGROSH

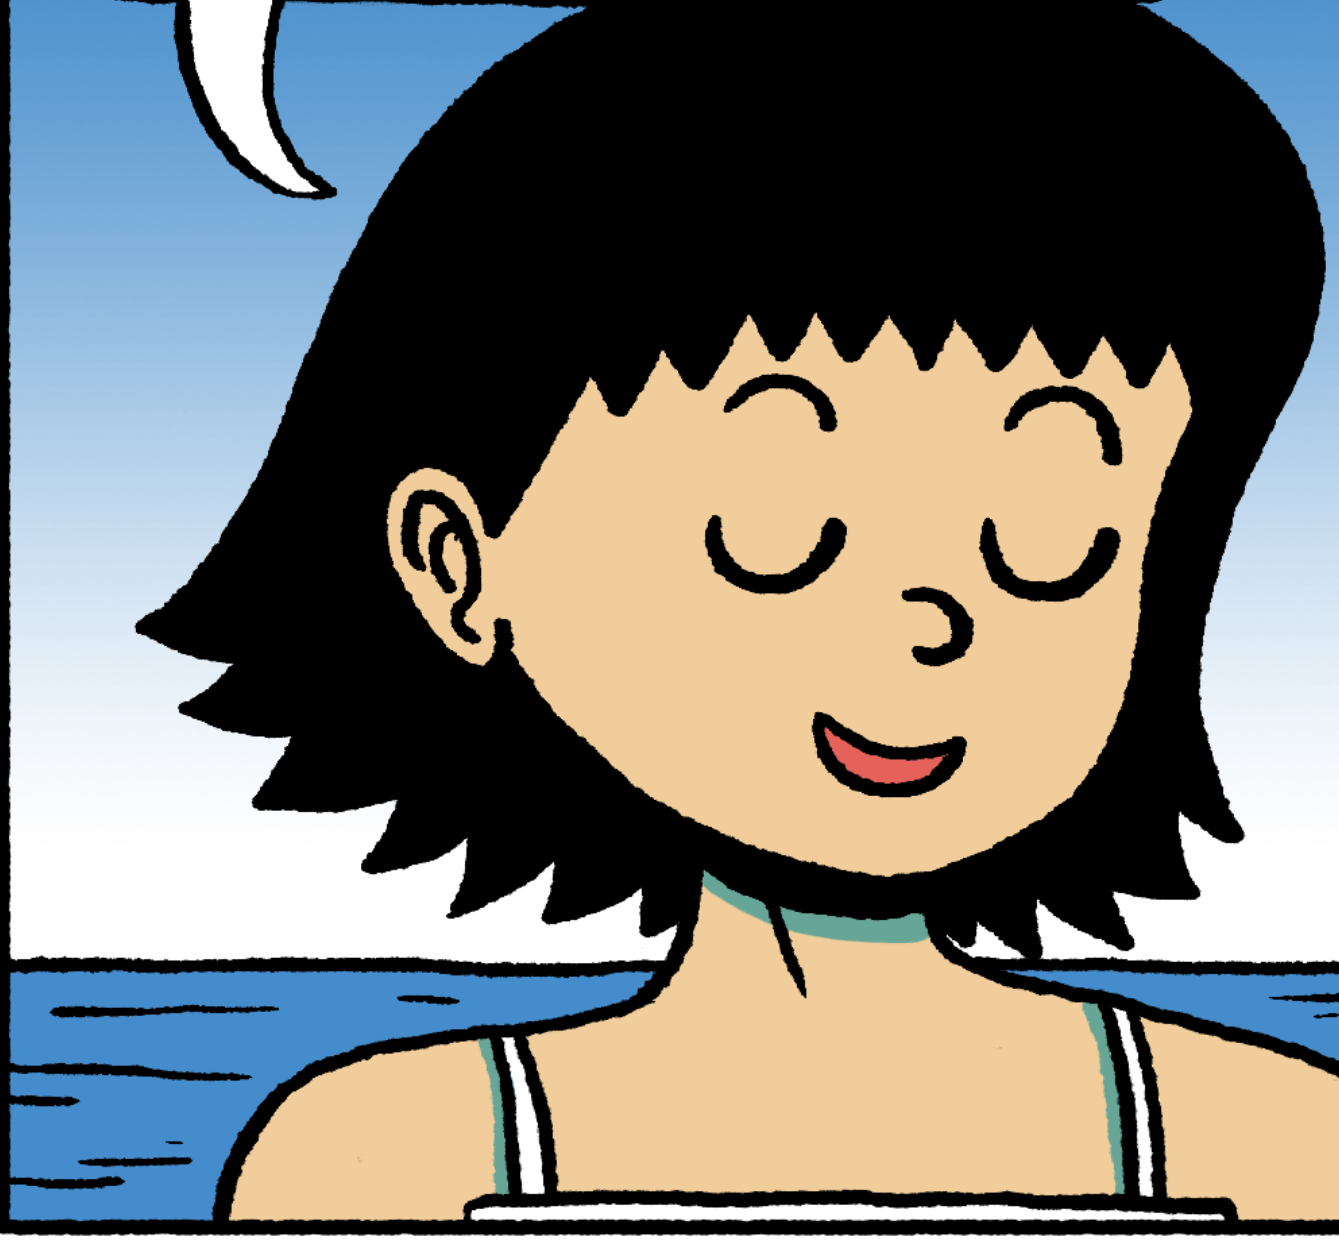

AH, THE OCEAN...

... MOTHER OF LIFE, SAILORS' DELIGHT...

SHINING AND VAST, THE SHORELESS SEA, PURE AND CLEAN.

OH NICE! WHAT'S THIS THEN?

AHH! TRASH ISLAND!

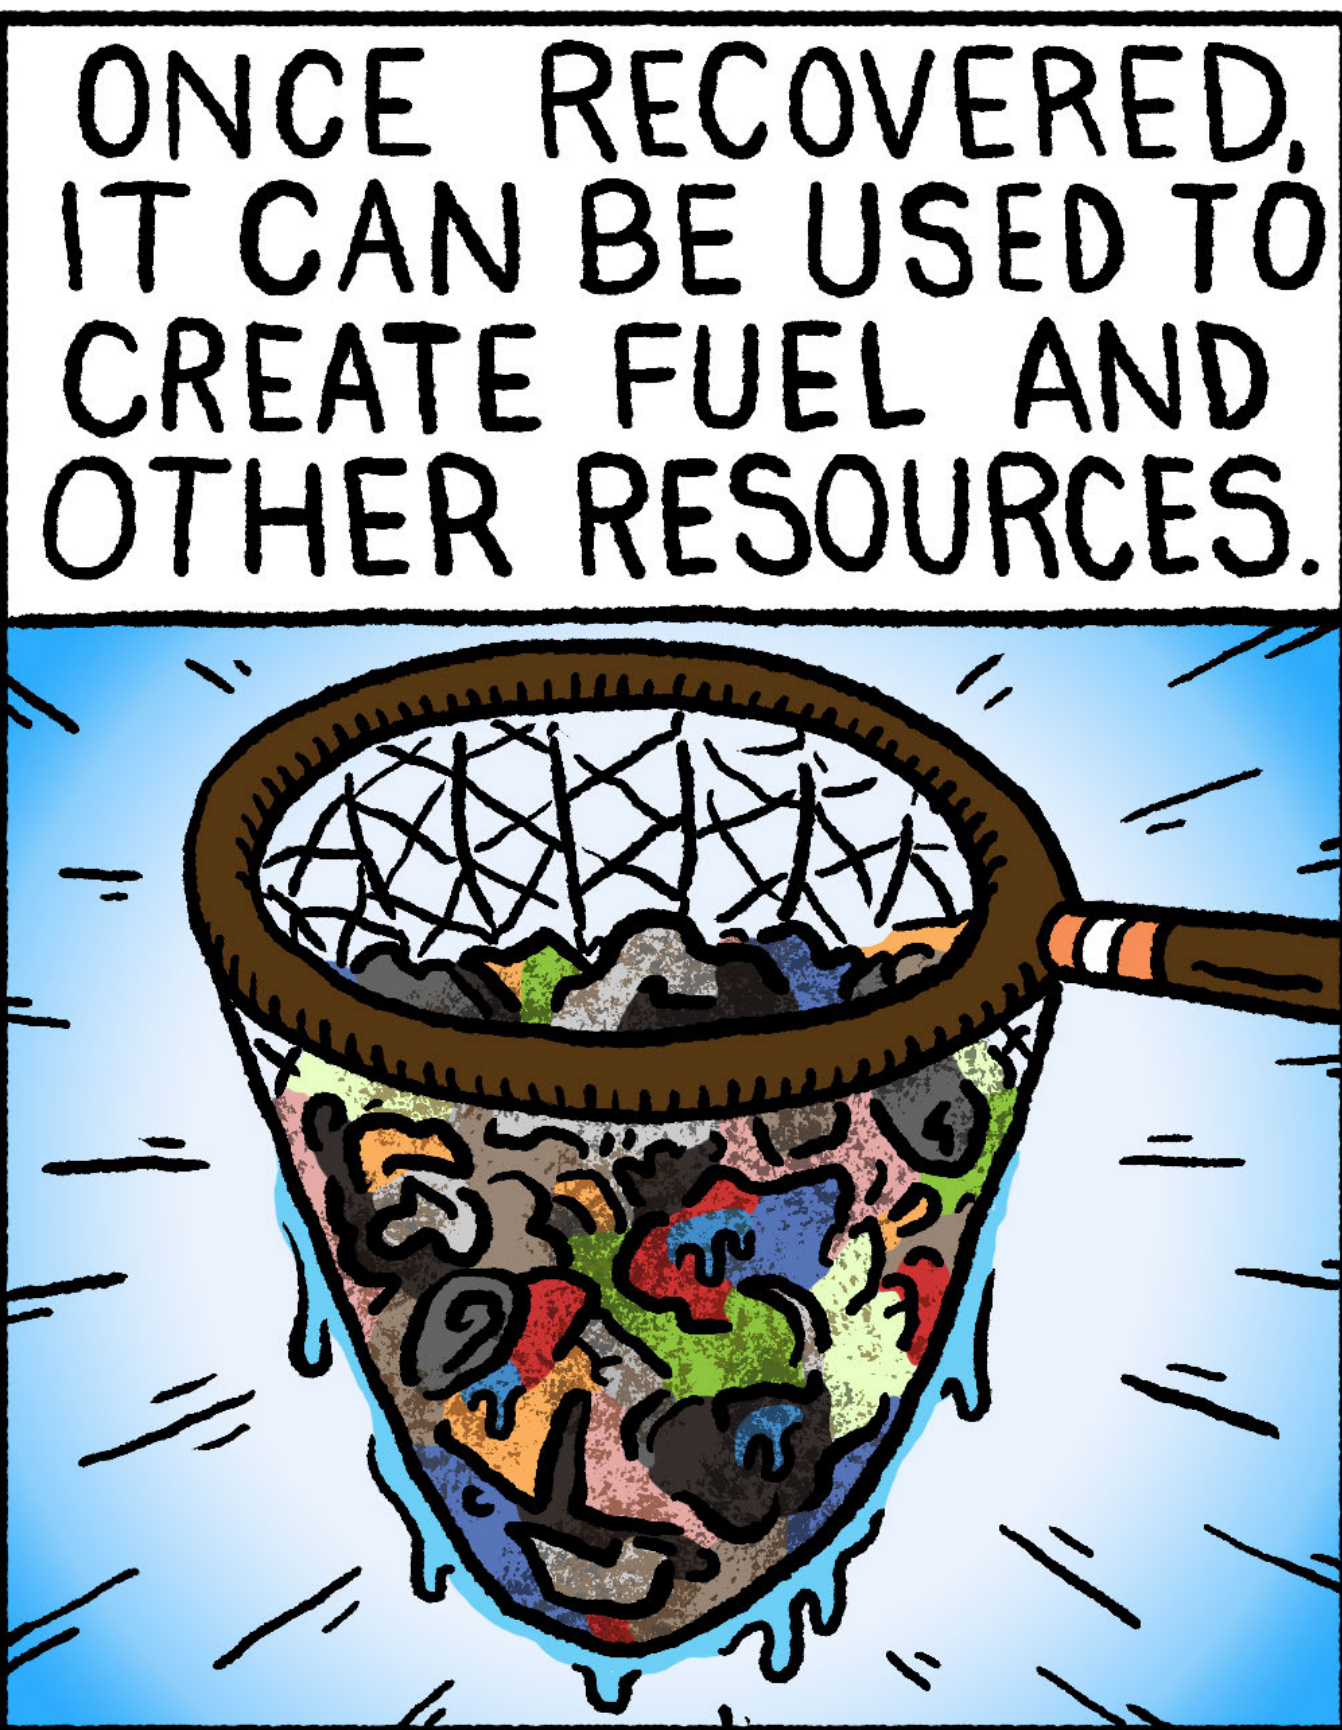

I THINK ISLANDS ARE SMALLER THAN THIS. IT'S TWICE THE SIZE OF TEXAS.

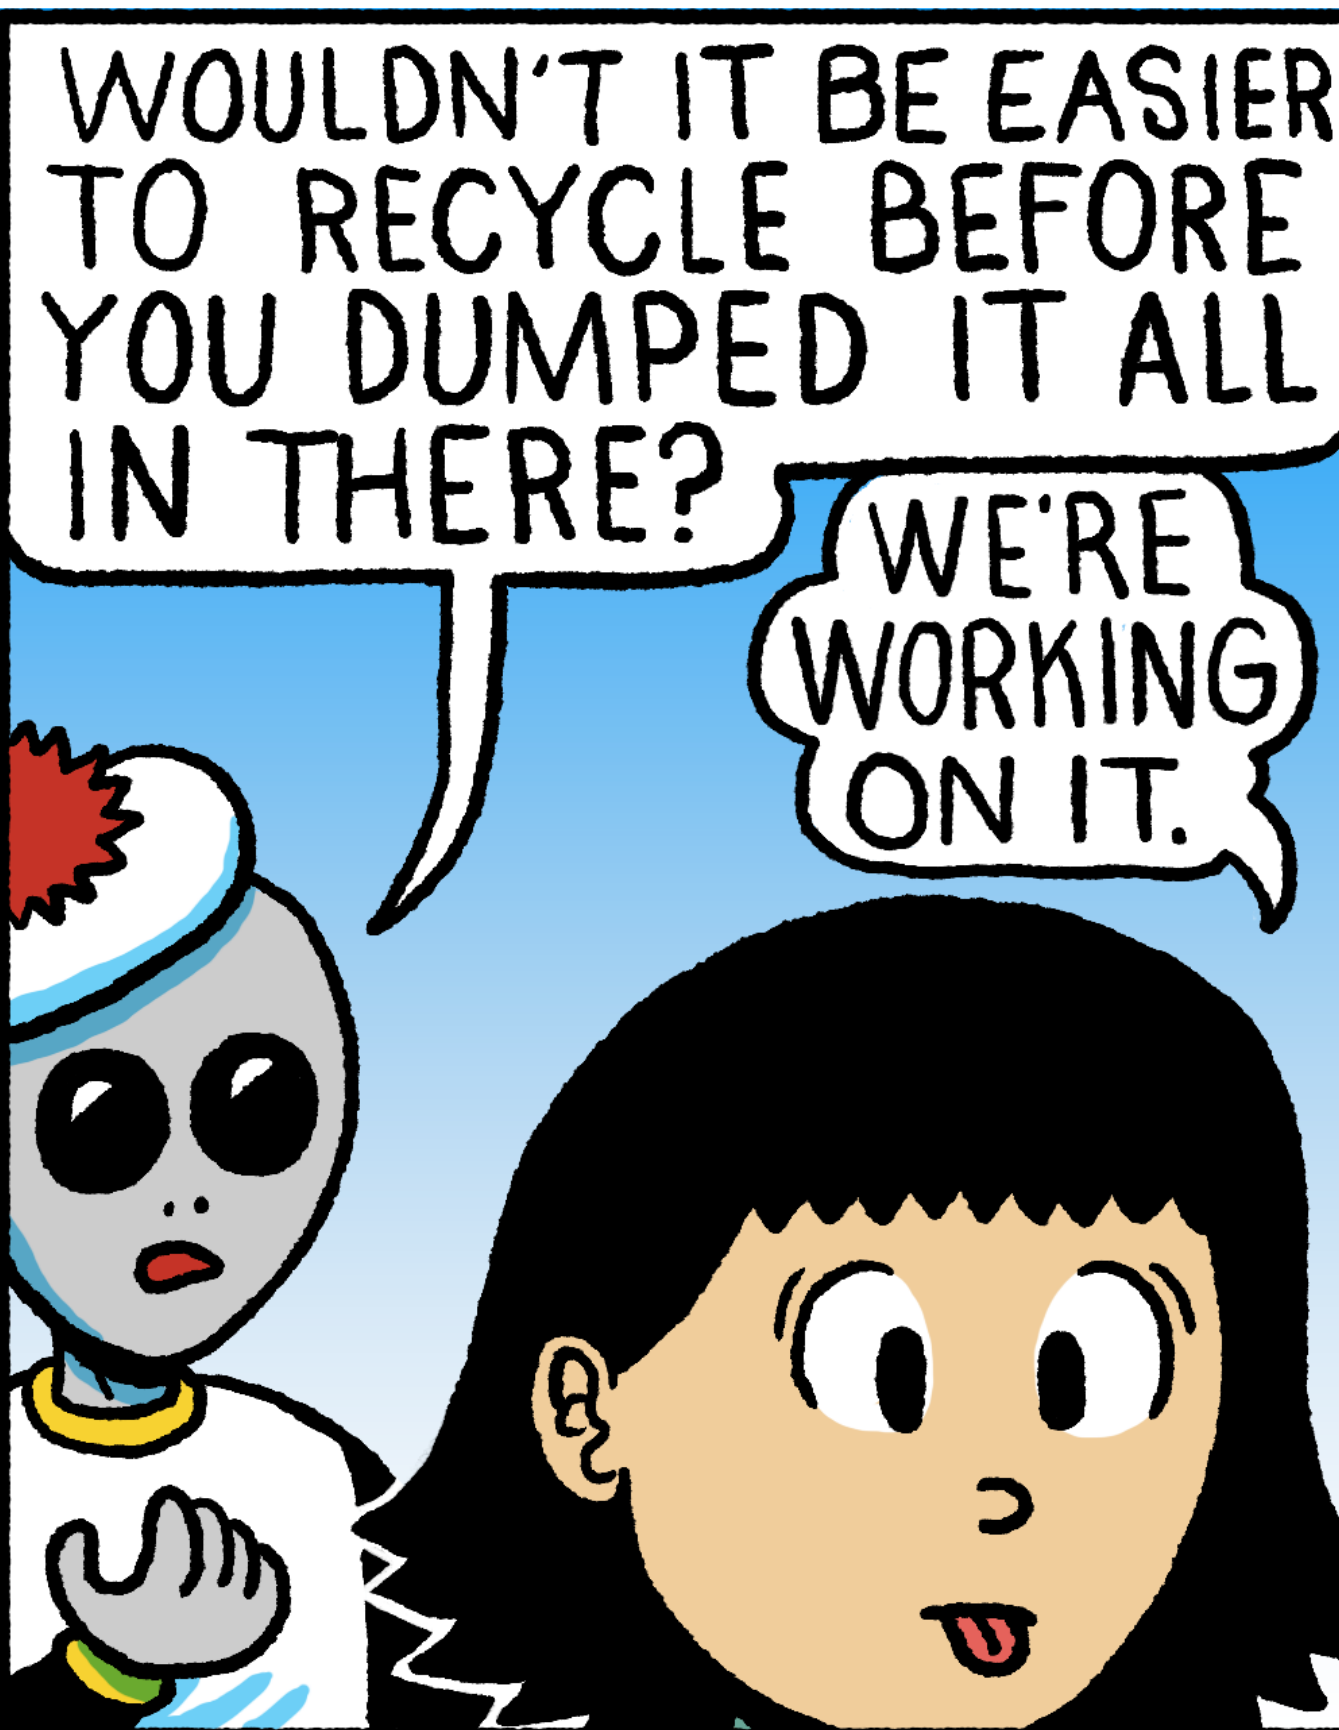

LUCKILY, PEOPLE HAVE STARTED PLASTIC CAPTURE PROGRAMS TO CLEAN UP THE OCEAN.

I THINK I PREFER TEXAS...

ONCE RECOVERED, IT CAN BE USED TO CREATE FUEL AND OTHER RESOURCES.

WOULDN'T IT BE EASIER TO RECYCLE BEFORE YOU DUMPED IT ALL IN THERE?

WE'RE WORKING ON IT.
